IEEE-Eta Kappa Nu

Holmescoming 2023 Issue

Aloha e Eta Kappa Nu Members and Friends,

We hope this newsletter finds you well and thriving as we transition into the busy season of fall. As the weather changes, so too does our organization, and we're excited to share some exciting updates and news with you all.

Fall 2023 Membership: 9 Pledges, 7 Officers, & 6 Grad-Students

In this Issue:

1. 2023-2024 Pledge Class
2. A look back at 60 years
3. HKN and Smart Campus Energy Lab Host Mock Interview

2023-2024 Pledge Class

We are thrilled to extend our warmest welcome to our pledge class this year. As a diverse group of 9 talented individuals, they represent the future of our field, and we are confident that they will make significant contributions to our chapter and the engineering community. This year, we have 5 electrical and 4 computer engineering pledges, and we couldn't be more excited to see what they'll accomplish.

Pledges (L-R) Adrian, Timothy, Gordon, Joshua, Joy, Miki, Claire, & Leo. *Not Pictured: Jackson

Feel like you could help our chapter shoot us an email.

A Look Back at 60 Years

This past spring, we celebrated a significant milestone: the 60th anniversary of the Delta Omega chapter here at UH Manoa. The annual induction ceremony was a special occasion, graced by the presence of past members who have been a part of our journey dating back to our founding year in 1963. Together, we cherished our rich history and shared stories from our past with the newly inducted members of 2023. Here's to 60 more years of success, growth, and contribution to the world of electrical and computer engineering!

Presidents (L-R) Dylan Sodetani '23-'24, Tyler Baguio '22-'23, Dian Nguyen '5-'6, Keith Abe '82-'83, Carl Kawauchi '63-'64

Mahalo Nui Loa

We hope you enjoy this newsletter as much as we enjoyed putting it together. Thank you for being a part of Eta Kappa Nu. As we look ahead to the rest of the year, we hope to keep in touch with you. Together, we continue to make a positive impact on the world of electrical and computer engineering. Thank you for taking an interest in our journey, and let's continue to

HKN and SCEL Mock Interviews

On Sept. 14, HKN and SCEL hosted a Mock Interview at Holmes Hall, welcoming all College of Engineering students to prepare for the Fall Career Expo. Our interviewers included alumni and friends from UH, HKN, and SCEL, representing companies Hawaiian Electric, DataHouse, Burns & McDonnell, and Northrop Grumman. This event provided students with a valuable opportunity to refine their interview skills and build connections with professionals and potential future employers.

The Smart Campus Energy Lab and HKN presents...

MOCK INTERVIEW NIGHT

- Engage in one-on-one mock interviews with UH COE alumni
- Practice your communication skills in a low-pressure environment
- Gain feedback from working young professionals

make strides, innovate, and make a difference together.

Warm Regards,

Eta Kappa Nu

Delta Omega Chapter (est. 1963)
